Summary: Ok, so the idea I have is a HTTYD/Bioshock Infinite Crossover. More details inside.

How to Train Your Dragon & Bioshock Infinite Crossover

Ok, I have an idea for anyone that wants to try it out. A How to Train Your Dragon crossover with Bioshock Infinite with Hiccup as Booker and Astrid as Elizabeth, though this time it's not father and daughter as in the game. Please message me if you're interested in taking up the story.
